

International Ideathon 2026

Organized by Amity University in Tashkent

Amity University in Tashkent proudly presents the **First International Ideathon 2026**, an exciting innovation competition designed for **high school students (Grades 8, 9, 10 & 11) and Lyceum/Foundation students across Uzbekistan**.

Ideathon 2026 provides a platform for young innovators to **identify real-world problems and propose creative, practical, and scalable solutions**. Participants will develop their ideas through **research, critical thinking, and structured presentations**, helping them build essential skills for future leaders and changemakers.

The competition will be conducted in **two stages on 11 April 2026**.
